

THE TMC GAZETTE

This is a packed Gazette with quite a bit of news and activities to report.

Please remember that on Friday afternoon at 4.00 p.m we have both the TMC Idol Final and the final of TMC Faces of the Year.

We would like to take this opportunity to thank everyone who participated in the earlier rounds of TMC Idol and congratulate the five finalists, Hidayah, Willie, Mayah, Teresa, Salesha. We wish you all the best and it looks like this year's final will be the best yet. So come along and support your favourite Idol.

Please remember that also on Friday we have the Mid-Autumn Festival, including

mooncake tasting and pamelos for everyone.

We would also like to take the opportunity to congratulate Fareed Kaleem (Senior Lecture IT) for having his article Robots: The Age of Intelligent Machines published in Amazing Strides in Robotics.

Also congratulations to all the lecturers who received Teaching Performance Awards.

Finally, for all Diploma and Higher Diploma students, make sure you submit your assignments on time, and remember the next semester starts on Monday 6th of October.

TMC Seminar @ Singapore Tourism Board Jakarta"

Recently TMC held a well-received seminar on the Gaming & Animation Programs @ the Singapore Tourism Board Jakarta. Many students who came for the Seminar were interested in IT programs and were very enthusiastic and excited about the challenging-yet-fun curriculum for the Gaming & Animation programs. As the saying goes in TMC, "we do not teach you how to play games, we teach you how to MAKE games!"
